Orders	Orders - Edit Address	1	0	0	0	Allows the user to edit the shipping address information that is defaulted in when an order is being created and/or edited.
Orders	Orders - Cancel Page Access - Read Only	1	0	0	0	Allows the user to access the Cancel Order task in Read Only mode.
Orders	Orders - Cancel (pending order)	1	0	0	0	Allows the user to cancel/delete a pending order specific to their district(s) / school(s).
Orders	Orders - Shipment Issues Page Access - Read Only	1	0	0	0	Allows the user to access the Shipment Issue task in Read Only mode.
Orders	Orders - Shipment Issue	1	0	0	0	Allows the user to report a problem with a shipment.

Category	Permission	DAC	BAC	Online Test Admin	Technology Coordinator	Description
Groups	Groups (Classes) - Add/Remove Student Tests	1	1	0	0	Allows the user to add/remove student tests to a Group (Class) specific to their school
Groups	Groups (Classes) - Search Page Access	1	1	0	0	Allows the user access to the Groups (Classes) search page.
Groups	Groups (Classes) - Create / Edit Page Access	1	1	0	0	Allows the user to access the Groups (Classes) module allowing access to view any currently established groups (classes) for their assigned organization(s). This option controls the ability to view data on the group (class) create/edit page.
Groups	Groups (Classes) - Create	1	1	0	0	Allows the user to a create Groups (Classes) specific to their school.
Groups	Groups (Classes) - Edit	1	1	0	0	Allows the user to select and modify an existing Group (Class) specific to their school.
Groups	Groups (Classes) - Delete Page Access - Read Only	1	1	0	0	Allows the user to access the Delete Group task in Read Only mode.
Groups	Groups (Classes) - Delete	1	1	0	0	Allows the user to delete an existing Group (Class) specific to their school.
Groups	Groups (Classes) - Assign User to Group (Class)	1	1	0	0	Allows for specific users to be assigned to a Group (Class). Assigned user will only see data for students in the group (class) for which they are assigned.
Students	Students - Create / View Students	1	1	0	0	Grants access to the Create / View Students task.
Students	Students - Manage Student Tests - Create	1	1	0	0	Allows the user to create the student test information.
Students	Students Search Page Access	1	1	0	0	Allows the user to view the student search page.
Students	Students - Create / Edit Page Access - Read Only	1	1	0	0	Allows the user to view the student create/edit task. Does not allow the user to modify student data.
Students	Students - Create	1	1	0	0	Allows the user to add a new student master record.
Students	Students - Edit	1	1	0	0	Allows the user to Edit the details on an existing Student Master Record.
Students	Students - Details Pop-up	1	1	0	0	Allows the user to click on the Information icon next to each student name and presents read access to the Details, Test Administrations Registration, Organization Enrollments, Student Tests, Classes, and Session tabs.

Category	Permission	DAC	BAC	Online Test Admin	Technology Coordinator	Description
Students	Students - Organization Enrollment Page Access - Read Only	1	1	0	0	Allows the user read-only access to the Manage Enrollments tab under Students task. Does not allow the user to modify enrollment data.
Students	Students - Organization Enrollment - Edit	1	1	0	0	Allows the user to add or remove organization enrollments for a student. This controls the Org box edit on the Create/Edit Students tab and the edit on the Manage Enrollments tab.
Students	Students - Registration - Access	1	1	0	0	Allows the user to view the student registration task. User must have the Edit permission to modify registration data.
Students	Students - Registration - Edit	1	1	0	0	Allows the user to register and modify the student in the administration.
Students	Students - Manage Student Test Access	1	1	0	0	Allows the user to view the student test task. If user does not have the other permissions it does not allow the user to modify test data.
Students	Students - Manage Student Tests - Edit	1	1	0	0	Allows the user to edit the student test information.
Students	Students - Generate Sample Students (Training Site Only)	1	1	0	0	Allows the user to Generate Sample Students - Training Site only.
Sessions	Sessions - Generate Tests Tickets	1	1	0	0	Ability to print Student Testing Tickets for multiple sessions at a time.
Sessions	Sessions - Lock/Unlock Sessions	1	1	1	0	Sessions - Lock and Unlock multiple Sessions at a time for Standard tests and Non-Strict Battery tests.
Sessions	Sessions - Session Health	1	1	1	1	
Sessions	Sessions - Students in Sessions - Display Assigned Form	1	1	1	0	Allows the user to see the form that is assigned to the student test.
Sessions	Sessions - Students in Sessions - Session Student Roster	1	1	1	0	Ability to generate and print roster of students for a selected session
Sessions	Sessions - Students in Sessions - Unlock/Lock Units	1	1	1	0	Lock/Unlock units for both mass (by unit) and by individual student test.
Sessions	Sessions - TestNav Config Import / Export	0	0	0	1	Ability to import and export TestNav configurations
Sessions	Transcend Interim Test Setup	1	1	1	0	Grants access to the Interim Test Setup page, allowing users to create, update or delete blueprints for interim tests using the Transcend API.

Category	Permission	DAC	BAC	Online Test Admin	Technology Coordinator	Description
Sessions	Sessions - Edit Precache Test Content Configuration	0	0	0	1	Allows the user to Edit the Precache Test Content under Setup.
Sessions	Sessions - Precache Test Content Configuration - Access/Read Only	1	0	0	1	Allows the user to view the Precache Test Content under Setup
Sessions	Sessions - Precache Page Access - Read Only	1	0	0	1	Allows the user view the precache test content task under Session in Read Only mode.
Sessions	Sessions - Search Page Access	1	1	1	1	Allows the user to access the Sessions feature from the Testing drop down.
Sessions	Sessions - Precache	0	0	0	1	Allows the user to precache the test content task under Sessions. Testing > Students in Sessions > Update Cache-----Allows the user to precache the test content task under Students in Sessions.
Sessions	Sessions - Precaching By Test	0	0	0	1	Allows the user to precache the test content for all selected tests under Sessions.
Sessions	Sessions - Create/Edit Page Access - Read Only	1	1	1	1	Allows the user to access to the Create/Edit task in Read Only mode.
Sessions	Sessions - Create Session	1	1	0	0	Allows the user to create a session from within the Create / Edit Sessions task under Sessions.
Sessions	Sessions - Edit Session	1	1	0	0	Allows the user to edit a session from within the Create / Edit Sessions task under Sessions.
Sessions	Sessions - Read Aloud	1	1	0	0	Allows the user to select/deselect the Read Aloud checkbox from within the Create / Edit Sessions task under Sessions.
Sessions	Sessions - Delete Session Page Access - Read Only	1	1	0	0	Allows the user to access the Delete Sessions task under Sessions in Read Only mode.
Sessions	Sessions - Delete Session	1	1	0	0	Allows the user to Delete Sessions task under Sessions.
Sessions	Sessions - Students in Sessions	1	1	1	0	Allows the user to access to the Students in Sessions feature from the Testing drop down.
Sessions	Sessions - Students in Sessions - Mark Test Complete Page Access - Read Only	1	1	0	0	Allows the user to access the Mark Test Complete task in Read Only mode.
Sessions	Sessions - Students in Sessions - Mark Test Complete	1	0	0	0	Allows the user to mark a student's test complete from within the Mark Student Tests Complete task under Students in Sessions.

Category	Permission	DAC	BAC	Online Test Admin	Technology Coordinator	Description
Sessions	Sessions - Students in Sessions - Undo Submission Page Access - Read Only	1	1	0	0	Allows user access to the Undo Student Test Submission within Students in Sessions in read only mode.
Sessions	Sessions - Students in Sessions - Undo Submission	1	1	0	0	Allows the user to Undo Student Test Submission within Students in Sessions.
Sessions	Sessions - Students in Sessions - Resume Test Page Access - Read Only	1	1	1	0	Allows the user access to the Resume a Student Test page under Students in Sessions in read only mode.
Sessions	Sessions - Students in Sessions - Resume Test	1	1	1	0	Allows the user to Resume a Student Test under Students in Sessions.
Sessions	Sessions - Students in Sessions - Add Students Page Access - Read Only	1	1	0	0	Allows the user to access the Add Students to a Session within Students in Sessions page and access the Add Students to Session within Sessions page in read only mode.
Sessions	Sessions - Students in Sessions - Add Students	1	1	0	0	Allows the user to Add Students to a Session within Students in Sessions and Add Students to Session within Sessions.
Sessions	Students in Sessions - Remove Student from Session Page Access - Read Only	1	1	0	0	Allows the user to access the Remove Students from a Session page within Students in Sessions in read only mode.
Sessions	Sessions - Students in Sessions - Remove Students	1	1	0	0	Allows the user to Remove Students from a Session within Students in Sessions.
Sessions	Sessions - Students in Sessions - Move Students Page Access - Read Only	1	1	0	0	Allows the user to access the Move Students between Sessions page within Students in Sessions in read only mode.
Sessions	Sessions - Students in Sessions - Move Students	1	1	0	0	Allows the user to Move Students between Sessions within Students in Sessions.
Sessions	Sessions - Students in Sessions - Move Read Aloud to Non-Read Aloud	1	1	0	0	Allows the user to move a Read Aloud Student Test to a Non-Read Aloud Test Session within the Move Students between Sessions.
Sessions	Sessions - Students in Sessions - Prepare Session	1	1	0	0	Allows user to Prepare Session which communicates with TestNav and assigns forms to student tests and creates TestNav logins
Sessions	Sessions - Students in Sessions - Start Session	1	1	1	0	Allows the user to Start a ready session from the Start Page under Students in Sessions.

Category	Permission	DAC	BAC	Online Test Admin	Technology Coordinator	Description
Sessions	Sessions - Students in Sessions - Stop Session	1	1	1	0	Allows the user to Stop a started session from the Start Page under Students in Sessions.
Sessions	Sessions - Students in Sessions - Restart Session	1	1	1	0	Allows the user to restart a stopped session from the Start Page under Students in Sessions.
Sessions	Sessions - Students in Sessions - Schedule Sessions	1	1	1	0	Allows the user to access the Scheduled Sessions list within Students in Sessions from the Download Resources button on the Start Page.
Sessions	Sessions - Students in Sessions - Student Test Tickets	1	1	0	0	Allows the user to access the Student Testing Tickets from within Download Resources button on the Students in Sessions Start Page.
Sessions	Sessions - Students in Sessions - Seal Codes	1	1	0	0	Allows the user to view the seal codes assigned to test sections from the Download Resources button on the Start Page.
Sessions	Sessions - Students in Sessions - Proctor Test Ticket	1	1	0	0	Allows the user to access the Proctor Testing Ticket from within Download Resources button on the Students in Sessions Start Page.
Sessions	Sessions - Students in Sessions - Refresh Student Progress	1	1	1	0	Allows the user to access the Refresh button above the session bar within Students in Sessions.
Sessions	Sessions - Students in Sessions - Student Progress	1	1	1	0	Allows the user to view student progress via the Test Status value under the Student Test Status column as either read only or a hyperlink selection to view the Student Test & Item Progress pop-up window.
Reports	Reports - Interim Test Reports	1	1	1	0	Grants access to the Interim Test reporting page.
Reports	Reports - Operational Reports	1	1	0	0	Allows the user to access the operational reports.
Reports	Reports - Published - Search Page	1	1	0	0	Allows the user access to the published report search page.
Miscellaneous	Miscellaneous - Dashboards	1	1	1	1	Allows the user to access the Dashboards page within PAN.
Miscellaneous	Set Default Start Page	1	1	1	1	Allows the user to select the personal home icon on any page within PAN to designate it as their starting page.
Miscellaneous	Audit Trail	1	0	0	0	Throughout site - Allows the user to access change history information.
Miscellaneous	Global Scope - Change	1	1	1	1	Allows the user to change test administrations.
Work Requests	Work Requests - View Transfer Requests Notification	1	1	0	0	Controls the display the display of the enrollment transfer notification
Work Requests	Work Requests - Access	1	1	0	0	Allows user access to the Work Requests search screen.
Work Requests	Work Requests - Create Enrollment Transfer	1	1	0	0	Allows the user to request an enrollment transfer of a student.

Category	Permission	DAC	BAC	Online Test Admin	Technology Coordinator	Description
Work Requests	Work Requests - Approve Enrollment Transfer	1	1	0	0	Allows the user to approve or reject an existing enrollment transfer of a student. If approved, the student is transferred to the requesting organization. If rejected, student remains with the current enrollment.
